

# Local Authority School Governors

## Recruitment and Nomination Process

# **Local Authority School Governors**

## **Recruitment and Nomination Supporting Information**

The London Borough of Hillingdon (known as Hillingdon Council, the Local Authority – LA) has contracted the statutory function of LA governor recruitment and nomination process to the Governor Support Service (GSS) for 2015/16.

The GSS will handle all applications and enquiries, and manage the process for getting formal nominations requested by the LA to schools.

The only person with the delegated authority to approve a proposed LA governor nomination is the Cabinet Member for Education and Children’s Services within the LA. Formal nomination request must be made via the GSS and through a Cabinet Member’s Decision Making Process, as determined by the Council.

All candidates must complete and submit an application form. No nomination will be made without one.
